#### LEGISLATIVE COUNSEL'S DIGEST

AB 2098, Low. Physicians and surgeons: unprofessional conduct.

Existing law provides for the licensure and regulation of physicians and surgeons by the Medical Board of California and the Osteopathic Medical Board of California. Existing law requires the applicable board to take action against any licensed physician and surgeon who is charged with unprofessional conduct, as provided.

This bill would designate the dissemination of misinformation or disinformation related to the SARS-CoV-2 coronavirus, or "COVID-19," as unprofessional conduct. The bill would also make findings and declarations in this regard.

(c) The safety and efficacy of COVID-19 vaccines have been confirmed through evaluation by the federal Food and Drug Administration (FDA) and the vaccines continue to undergo intensive safety monitoring by the CDC.

(d) The spread of misinformation and disinformation about COVID-19 vaccines has weakened public confidence and placed lives at serious risk.

(e) Major news outlets have reported that some of the most dangerous propagators of inaccurate information regarding the COVID-19 vaccines are licensed health care professionals.

(f) The Federation of State Medical Boards has released a statement warning that physicians who engage in the dissemination of COVID-19 vaccine misinformation or disinformation risk losing their medical license,

and that physicians have a duty to provide their patients with accurate, science-based information.

(g) In House Resolution No. 74 of the 2021–22 Regular Session, the California State Assembly declared health misinformation to be a public health crisis, and urged the State of California to commit to appropriately combating health misinformation and curbing the spread of falsehoods that threaten the health and safety of Californians.
