An act to add Chapter 3.26 (commencing with Section 6218.10) to Division 7 of Title 1 of the Government Code, relating to privacy.

LEGISLATIVE COUNSEL'S DIGEST

AB 2624, as amended, Bonta. Privacy for immigration support services providers.

Existing law authorizes designated health care services providers, employees, volunteers, and patients, and individuals who face threats of violence or violence or harassment from the public because of their affiliation with a designated health care services facility, to complete an application to be approved by the Secretary of State for the purposes of enabling state and local agencies to respond to requests for public records without disclosing a program participant's residence address contained in any public record and otherwise provide for confidentiality of identity for that person, subject to specified conditions. Existing law defines "designated health care services" to mean gender-affirming health care services or reproductive health care services. Under existing law, any person who makes a false statement in an application is guilty of a misdemeanor.

Existing law prohibits a person, business, or association from knowingly publicly posting or publicly displaying, disclosing, or distributing on internet websites or on social media, the personal information or image of any designated health care services patient, provider, or assistant, or other individuals residing at the same home address, with the intent to incite a third person to cause imminent great bodily harm to the person identified in the posting or display, or to a coresident of that person, as specified, or to threaten the person identified in the posting or display, or a coresident of that person, as specified. Existing law additionally prohibits a person, business, or association from soliciting, selling, or trading on the internet or social media the personal information or image of a designated health care services patient, provider, or assistant with the intent described above. Existing law establishes a cause of action for injunctive or declarative relief for a violation of these prohibitions.

Existing law prohibits a person from posting on the internet or social media, with the intent that another person imminently use that information to commit a crime involving violence or a threat of violence against a designated health care services patient, provider, or assistant, or other individuals residing at the same home address, the personal information or image of a reproductive health care services patient, provider, or assistant, or other individuals residing at the same home address. Existing law makes a violation of this prohibition

punishable by a fine of up to \$10,000 per violation, imprisonment, as specified, or by both that fine and imprisonment.

This bill would similarly establish an address confidentiality program for a designated immigration support services provider, employee, or volunteer, as defined, who faces threats of violence or harassment from the public because of their affiliation with a designated immigration support services facility. This bill would additionally prohibit a person, business, or association from soliciting, selling, or trading on the internet ~~or social media~~ the personal information or image of a designated immigration support services provider, employee, or volunteer with the intent described above. The bill would also prohibit a person from posting on the ~~internet or social media~~; *internet*, as described above, the personal information or image of a designated immigration support services provider, employee, or volunteer, or other individuals residing at the same home address. The bill would define various terms for these purposes. By imposing new duties on local agencies and creating new crimes, this bill would create a state-mandated local program.

Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Harassing conduct may include, but is not limited to, following, stalking, telephone calls, or written correspondence.

(g) "Image" includes, but is not limited to, a photograph, video footage, sketch, or computer-generated image that provides a means to visually identify the person depicted.

(h) "Personal information" means information that identifies, relates to, describes, or is capable of being associated with a designated immigration support services provider, employee, or volunteer, including, but not limited to, their name, signature, social security number, physical characteristics or description, address, telephone number, passport number, driver's license or state identification card number, license plate number, employment, employment history, and financial information.

(⊕)

(k) "Work for a public entity" means work performed by an employee of a public entity, or work performed for a public entity by a person pursuant to a contract with the public entity.

An application shall be completed in person at a community-based assistance program designated by the

Secretary of State. The application process shall include a requirement that the applicant shall meet with a counselor and receive orientation information about the program. The Secretary of State shall approve an application if it is filed in the manner and on the form prescribed by the Secretary of State and if it contains all of the following:

(1) If the applicant alleges that the basis for the application is that the applicant, or the minor or incapacitated person on whose behalf the application is made, is a designated immigration support services provider, employee, or volunteer who is fearful for their safety or the safety of their family because of their affiliation with a designated immigration support services facility, the application shall be accompanied by all of the following:

(iii) A workplace violence restraining order described in Section 527.8 of the Code of Civil Procedure, issued after a noticed hearing, or a civil restraining order described in Section 527.6 of the Code of Civil Procedure, issued after a noticed hearing, protecting the applicant or the minor or incapacitated person on whose behalf the application is made. The order must be based upon threats or acts of violence to the applicant or the minor or incapacitated person on whose behalf the application is made and connected with the designated immigration support services facility.

(C) A sworn statement that the applicant fears for their safety or the safety of their family, or the safety of the minor or incapacitated person on whose behalf the application is made due to their affiliation with the designated immigration support services facility authorized to provide the declaration described in subparagraph (B).

(2) If the applicant alleges that the basis for the application is that the applicant is a designated immigration support services facility volunteer, the application shall, in addition to the documents specified in paragraph (1), be accompanied by documentation by the designated immigration support services facility showing the length of time the volunteer has committed to working at the facility.

(3) If the applicant alleges that the basis of the application is that the applicant, or the minor or incapacitated person on whose behalf the application is made, is a person who is or has been the target of threats or acts of violence because the applicant is obtaining or seeking to obtain services at a designated immigration support services facility within one year of the date of the application, the application shall be accompanied by both of the following:

(A) A sworn statement that the applicant has good reason to fear for their safety or the safety of their family.

(B) Any police, court, or other governmental agency records or files that show any complaints of the alleged threats or acts of violence.

(4) A designation of the Secretary of State as agent for purposes of service of process and for the purpose of receipt of mail.

(A) Service on the Secretary of State of any summons, writ, notice, demand, or process shall be made by delivering to the address confidentiality program personnel of the office of the Secretary of State two copies of the summons, writ, notice, demand, or process.

(B) If a summons, writ, notice, demand, or process is served on the Secretary of State, the Secretary of State shall immediately cause a copy to be forwarded to the program participant at the address shown on the records of the address confidentiality program so that the summons, writ, notice, demand, or process is received by the program participant within three days of the Secretary of State having received it.

(C) The Secretary of State shall keep a record of all summonses, writs, notices, demands, and processes served upon the Secretary of State under this section and shall record the time of that service and the Secretary of State's action.

(D) The office of the Secretary of State and any agent or person employed by the Secretary of State shall be held harmless from any liability in any action brought by any person injured or harmed as a result of the handling of first-class mail on behalf of program participants.

(5) The mailing address where the applicant can be contacted by the Secretary of State, and the telephone number or numbers where the applicant can be called by the Secretary of State.

(6) The address or addresses that the applicant requests not be disclosed for the reason that disclosure will increase the risk of threats or acts of violence or harassment toward the applicant.

(7) The signature of the applicant and of any individual or representative of any office designated in writing who assisted in the preparation of the application, and the date on which the applicant signed the application.

(b) Applications shall be filed with the office of the Secretary of State.

(c) Submitted applications shall be accompanied by payment of a fee to be determined by the Secretary of State. This fee shall not exceed the reasonable costs of enrolling in the program. In addition, annual fees may also be assessed by the Secretary of State to defray the reasonable costs of maintaining this program. Annual fees assessed by the Secretary of State shall also be used to reimburse the General Fund for any amounts expended from that fund for the purposes of this chapter.

(d) The Address Confidentiality for Immigration Support Services Fund is hereby created in the General Fund. Upon appropriation by the Legislature, moneys in the fund are available for the administration of the program established pursuant to this chapter.

(e) Upon filing a properly completed application, the Secretary of State shall certify the applicant as a program participant. Applicants, with the exception of designated immigration support services facilities volunteers, shall be certified for four years following the date of filing unless the certification is withdrawn, or invalidated before that date. Designated immigration support services facility volunteers shall be certified until six months from the last date of volunteering with the facility. The Secretary of State shall by rule establish a renewal procedure. A minor program participant, who reaches 18 years of age, may renew as an adult following the renewal procedures established by the Secretary of State.

(f) A person who falsely attests in an application that disclosure of the applicant's address would endanger the applicant's safety or the safety of the applicant's family or the minor or incapacitated person on whose behalf the application is made, or who knowingly provides false or incorrect information upon making an application, is

guilty of a misdemeanor. A notice shall be printed in bold type and in a conspicuous location on the face of the application informing the applicant of the penalties under this subdivision.

6218.13. (a) The Secretary of State shall cancel certification of a program participant who fails to disclose a change in employment status, or termination as a provider or volunteer.

(b) Upon termination of a program participant's certification, the Secretary of State shall retain records as follows:

(1) Except as provided in subdivision (g) of Section 6218.14 or subdivision (a) of Section 6218.17, any records or documents pertaining to a program participant shall be held confidential.

(2) All records or documents pertaining to a program participant shall be retained for a period of three years after termination of certification and then destroyed without further notice.

6218.14. (a) A program participant may withdraw from program participation by submitting to the Secretary of State written notification of withdrawal and their current identification card. Certification shall be terminated on the date of receipt of this notification.

(b) The Secretary of State may terminate a program participant's certification and invalidate the participant's authorization card for any of the following reasons:

(1) The program participant's certification term has expired and certification renewal has not been completed.

(2) The Secretary of State has determined that false information was used in the application process to qualify as a program participant or that participation in the program is being used as a subterfuge to avoid detection of illegal or criminal activity or apprehension by law enforcement.

(3) The program participant no longer resides at the residential address provided to the Secretary of State, and has not provided at least seven days' prior notice in writing of a change in address.

(4) A service of process document or mail forwarded to the program participant by the Secretary of State is returned as nondeliverable.

(5) The program participant who is a provider, employee, or volunteer fails to disclose a change in employment, or termination as volunteer or provider.

(6) The program participant, who reaches 18 years of age during their certification term, has not renewed their certification within 60 days of them reaching 18 years of age.

(c) The Secretary of State may refuse to renew a program participant's certification if the adult program participant or the parent or guardian acting on behalf of a minor or incapacitated person has abandoned their domicile in this state.

(d) If termination is based on any of the reasons under subdivision (b) or (c), the Secretary of State shall send written notification of the intended termination to the program participant. The program participant shall have 30 business days in which to appeal the termination under procedures developed by the Secretary of State.

(e) The Secretary of State shall notify in writing the county elections official and authorized personnel of the appropriate county clerk's office and the county recording office of the program participant's certification withdrawal, invalidation, expiration, or termination.

(f) Upon receipt of this termination notification, authorized personnel shall transmit to the Secretary of State all appropriate administrative records pertaining to the program participant and the record transmitting agency is no longer responsible for maintaining the confidentiality of a terminated program participant's record.

(g) Following termination of program participant certification as a result of paragraph (2) of subdivision (b), the Secretary of State may disclose information contained in the participant's application.

6218.15. (a) A program participant may request that state and local agencies use the address designated by the Secretary of State as the participant's address. When creating a public record, state and local agencies shall accept the address designated by the Secretary of State as a program participant's substitute address, unless the Secretary of State has determined both of the following:

- (2) This address will be used only for those statutory and administrative purposes and shall not be publicly disseminated.

(b) A program participant may request that state and local agencies use the address designated by the Secretary of State as the participant's address. - (2) This address will be used only for those statutory and administrative purposes and shall not be publicly disseminated.

(c) A program participant may use the address designated by the Secretary of State as the participant's work address.

(d) The office of the Secretary of State shall forward all first-class mail and all mail sent by a governmental agency to the appropriate program participants. The office of the Secretary of State may, in its discretion, refuse to handle or forward packages regardless of size or type of mailing.

(e) Notwithstanding subdivision (a), program participants shall comply with the provisions specified in subdivision (d) of Section 1808.21 of the Vehicle Code if requesting suppression of the records maintained by the Department of Motor Vehicles. Program participants shall also comply with all other provisions of the Vehicle Code relating to providing current address information to the department.

6218.17. (a) The Secretary of State may not make a program participant's address, other than the address designated by the Secretary of State, available for inspection or copying, except under any of the following circumstances:

- (1) If requested by a law enforcement agency, to the law enforcement agency.
- (2) If directed by a court order, to a person identified in the order.
- (3) If certification has been terminated pursuant to paragraph (2) of subdivision (b) of Section 6218.14.

(b) The Secretary of State shall designate state and local agencies and nonprofit agencies that may assist persons applying to be program participants. (c) The Secretary of State may adopt rules to facilitate the administration of this chapter by state and local agencies. The Secretary of State shall administer this chapter together with and in the same manner as the

address confidentiality programs in Chapter 3.1 (commencing with Section 6205) and Chapter 3.2 (commencing with Section 6215).

(d) The Secretary of State shall provide each program participant a notice in a clear and conspicuous font that contains all of the following information:

(1) The program participant is authorized by law to request to use the participant's address designated by the Secretary of State on real property deeds, change of ownership forms, and deeds of trust when purchasing or selling a home.

(3) The program participant may obtain a change of their legal name to protect their anonymity.

(4) A list of contact information for entities that the program participant may contact to receive information on, or receive legal services for, the creation of a trust to hold real property or obtaining a name change, including county bar associations, legal aid societies, state and local agencies, or other nonprofit organizations that may be able to assist program participants.

(e) (1) The Secretary of State shall submit to the Legislature, no later than January 10 of each year, a report that includes the total number of applications received for the program established by this chapter. The report shall disclose the number of program participants within each county and shall also describe any allegations of misuse relating to election purposes.

(2) The Secretary of State shall commence accepting applications under this program on April 1, 2027.

(3) The Secretary of State shall submit to the Legislature by July 1, 2030, a report that includes the total number of pieces of mail forwarded to program participants, the number of program participants during the program's duration, the average length of time a participant remains in the program, and the targeted code changes needed to improve the program's efficiency and cost-effectiveness.

(b) Nothing in this section shall preclude prosecution under any other provision of law.

SEC. 2. The Legislature finds and declares that this act imposes a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

Individuals providing support services to the immigrant community have become increasingly subjected to violent threats, harassment, and intimidation. In order to prevent acts of violence from being committed against those individuals, it is necessary for the Legislature to ensure that the home addresses of these individuals are kept confidential.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
